MEMORANDUM FOR MR TOLSON
MR BELMONT
MR DeLOACH
MR EVANS
MR ROSEN

EARL WARREN

I informed the Attorney General that Pearson got a portion of the story from the Chief Justice with whom he is very close; that I got this from inside the Pearson organization and that the Chief Justice had been very much annoyed at the information to come out in the FBI report. I [illegible] there have been some leaks, not from the FBI; that we have furnished preliminary reports to various departments. I advised the Attorney General that I was the one who told Katzenbach I was opposed to any statement made about the report; that Pearson shared my view [illegible] was in favor of making a long statement, but the President felt the report should be sent to the Commission with only a statement that it had been sent to the Commission.
